

## AHD3223M

### Non-woven wallpaper

#### Description :

Ingredient: 175g non-woven paper

Width: 1.06/1.27/1.37/1.52m

#### Features :

1. Water-based coating, stable ink absorption, excellent color rendering, high image resolution, suitable for different types of decoration styles;
2. Water-proof, environment friendly, good durability high images resolution, fast drying after printing.

#### Applications :

1. Suitable for indoor advertising and decoration (such as living room, bedroom, shopping mall, hotel, restaurant, KTV and other wall decoration applications).
2. The product is suitable for UV, solvent ink, Eco-solvent ink.

#### Technical Data :

Testing condition: Indoor temperature 23±2°C, Relative humidity 50±5%.

Test Term	Unit	Test Method	Average
film	g/m <sup>2</sup>	GB4669-1995	135±20
Weight-finished product	mm	GB4669-1995	175±20
Construction temperature	°C		20±10°C
Applicable Temperature	°C		20~+70

- All technical data is subject to change without prior notice.

#### Storage Condition :

All NAR products need to be stored in the original packing and with the original protection materials, preferably stored hermetically and vertically, do not expose to direct sunlight or heat sources. In order to avoid loss of quality, NAR products should also be stored in suitable conditions, that is at a temperature of 25°C ± 5°C and a relative humidity of 50 ± 15%. Under these conditions, NAR products can be stored up to one year.

#### Production and Application Environment :

Production environment: temperature of 25 ± 5 °C, relative humidity of 50%±10%, clean dust-free environment without suspended matter; Please move the materials to the printing environment 24 hours before printing. Printing test before use, Printing ink temperature of 18°C -28 °C, Equipment preheating temperature of 30 °C.

Application environment: temperature of 18 °C to 28 °C, relative humidity of 50±15%.

#### Warranty Condition :

1. One year service life: stored in suitable conditions, preferably use within 6 months.

2. One year prosecution period: from the product manufacture date, no-acceptance for overdue product.

**Important Remark :**

The information mentioned in this product data sheet is based upon tests that were executed by NAR, and that we consider to be reliable. Advise to use the same batch. Please evaluate on the project environment in advance to confirm the products suitability.

**Application :**
